Copyright © 2026 PTC Inc. and/or Its Subsidiary Companies. All Rights Reserved.

Copyright for PTC software products is with PTC Inc. and its subsidiary companies (collectively “PTC”), and their respective licensors. This software is provided under written license or other agreement, contains valuable trade secrets and proprietary information, and is protected by the copyright laws of the United States and other countries. It may not be copied or distributed in any form or medium, disclosed to third parties, or used in any manner not provided for in the applicable agreement except with written prior approval from PTC. More information regarding third party copyrights and trademarks and a list of PTC’s registered copyrights, trademarks, and patents can be viewed here: <https://www.ptc.com/support/go/copyright-and-trademarks>

User and training guides and related documentation from PTC are also subject to the copyright laws of the United States and other countries and are provided under a license agreement that restricts copying, disclosure, and use of such documentation. PTC hereby grants to the licensed software user the right to make copies of product documentation and guides in printed form, but only for internal/personal use and in accordance with the license agreement under which the applicable software is licensed. Any copy made shall include the PTC copyright notice and any other proprietary notice provided by PTC. Note that training materials may not be copied without the express written consent of PTC. This documentation may not be disclosed, transferred, modified, or reduced to any form, including electronic media, or transmitted or made publicly available by any means without the prior written consent of PTC and no authorization is granted to make copies for such purposes.

UNITED STATES GOVERNMENT RIGHTS

PTC software products and software documentation are “commercial items” as that term is defined at 48 C.F.R. 2.101. Pursuant to Federal Acquisition Regulation (FAR) 12.212 (a)-(b) (Computer Software) (MAY 2014) for civilian agencies or the Defense Federal Acquisition Regulation Supplement (DFARS) at 227.7202-1(a) (Policy) and 227.7202-3 (a) (Rights in commercial computer software or commercial computer software documentation) (FEB 2014) for the Department of Defense, PTC software products and software documentation are provided to the U.S. Government under the PTC commercial license agreement. Use, duplication or disclosure by the U.S. Government is subject solely to the terms and conditions set forth in the applicable PTC software license agreement.

Platform Support

Last updated: 04–2026

Partner	Operating System	Operating System Level
Microsoft	Windows 11 (64-bit)	Version 23H2 Version 24H2 Version 25H2
<p>Microsoft publishes a detailed lifecycle fact sheet for Windows 10. You may continue to run PTC Mathcad on published releases which are no longer officially supported by Microsoft, however, PTC security policy does not allow using unsupported software. As a result, PTC will only test reported issues on a Microsoft supported OS release.</p>		

Partner	Software
Microsoft	Office 2021 (64 bit) Office 2024 (64 bit) Office 365 Desktop Applications (64-bit)
<p> Note Specifically applies to integration with Excel (Excel Component).</p>	

System Requirements

Available Disk Space	<p>670MB for the application installation. An additional 56MB for the converter and 75MB for every local help language you choose to install. Note that some additional temporary space is required for the installation process.</p> <p> Note When the installation process is complete, the installer removes all the temporary data.</p>
.NET	8.x version of .NET

	 Note PTC Mathcad Prime 12.0.0.0 migrated from the .NET Framework platform to the newer .NET platform.
Network	TCP/IP Network Adapter
Pointing Device	Microsoft-compatible mouse or another pointing device

License Management

PTC Mathcad licenses are served using the PTC License Server. The PTC License Server is now run with FLEXnet Publisher, the latest version of which (with supported platforms) can be found [here](#).

Advanced Controls

The advanced controls functionality supports:

- VBScript
- JScript ES3
- Python 3.7 to 3.13
